5334105EN-848: Large Five Light Lantern

Collection: Zarra

Modern geometric design: mixing a bold black with a modern geometric shape, this collection is a true example of design for all décor

Envisioned through a modernist lens, Zara embodies the essence of art deco style. Its distinctive mixed-metal caged profile creates a harmonious dialogue of geometric refinement. Lending visual interest to the design, an open framework reveals exposed bulbs adding a touch of vintage style.
